NC SPORTS PLUS OR MINUS POWER RATINGS

The Power Ratings listed below are not based on the Power Plays, they are based on last year's final computer power rating numbers with the pluses and minuses from the off season changes factored in. They are then adjusted during the course of the season based on the final score of the games that are played on a weekly basis. The Power Ratings listed below can be used for you as a base power ratings to forecast up coming lines and strength of opponents, etc. Once again, they are not based on Power Plays and they differ from what we have shown in recent years, which has been our actual computer Power Ratings. These are Northcoast Sports Plus or Minus Power Ratings.

Power Plays is based upon statistical numbers and rankings that are used to develop the projections you see here. As with all types statistical information the more numbers that one inputs ordinarily the stronger the accuracy of the results. Therefore, one would expect the projections to be more reliable after a number of weeks worth of stats are input. The numbers in parenthesis are a comparison of the teams rankings (Visitor, visitors offense ranking vs home defense ranking, Home home offensive ranking vs visitor defensive ranking) over each teams last 4 games.

THURSDAY, DECEMBER 11TH

| | Ttl Yds | Rush | Pass | Points | TO's | ST's |
|-----------------|---------|------|------|--------|------|------|
| ARIZONA | 281 | 38 | 243 | 9 | +10 | #27 |
| ST LOUIS | 338 | 120 | 219 | 21 | +4 | #9 |

(ARZ #21 vs STL #10, STL #18 vs ARZ #22) - AD's with 4 or more wins than their foes are 11-26 SU/ATS & this is the 1st occurrence since the end of 2011. While ARZ snared their 10th win LW they are without their #1 rusher, #2 CB going forward & FS Mathieu isn't expected here. STL is the 1st team since DAL in 2009 to post B2B shutouts & have a massive edge in health & their defense right now. This is a No Play as we want to see how STL preps with the short week in the role of a favorite

NO PLAY: RAMS 21 CARDINALS 9

SUNDAY, DECEMBER 14TH

| | Ttl Yds | Rush | Pass | Points | TO's | ST's |
|--------------------|---------|------|------|--------|------|------|
| OAKLAND | 301 | 146 | 155 | 13 | -16 | #17 |
| KANSAS CITY | 334 | 143 | 192 | 30 | -5 | #7 |

(OAK #29 vs KC #25, KC #30 vs OAK #5) - The Chiefs are 8-18 ATS as a HF & the inability to get TD's out of their WR's (0 in 13 gms) has caught up to them with 3 straight losses & a regression in scoring. The Chiefs playoff hopes are fading away & while PP sides with them, the Raiders are 9-5 ATS in the series. They gained a ton of confidence after upsetting their Bay area rival & with the shutout loss vs STL in their minds will be out to avoid the letdown. This is a No Play with KC's risk averse nature on offense.

NO PLAY: CHIEFS 30 RAIDERS 13

| | Ttl Yds | Rush | Pass | Points | TO's | ST's |
|---------------------|---------|------|------|--------|------|------|
| JACKSONVILLE | 251 | 58 | 193 | 14 | -8 | #29 |
| BALTIMORE | 361 | 160 | 202 | 29 | +1 | #3 |

(JAX #32 vs BAL #21, BAL #5 vs JAX #20) - The Ravens bounced back from their loss to SD with an impressive win over MIA where they simply outblitzed the Dolphins protection. They get another favorable matchup vs Bortles behind an OL that is 32nd in sks allowed (11.8% sks/pass att). The Jags have lost 7 games by more than 14 pts & PP has this right around the line with BAL having a key road game vs HOU on deck this is a No Play.

NO PLAY: RAVENS 29 JAGUARS 14

| | Ttl Yds | Rush | Pass | Points | TO's | ST's |
|-------------------|---------|------|------|--------|------|------|
| PITTSBURGH | 473 | 125 | 348 | 28 | -1 | #25 |
| ATLANTA | 394 | 92 | 303 | 27 | +9 | #5 |

(PIT #1 vs ATL #28, ATL #11 vs PIT #2) - The Falcons are off LW's MNF game vs GB so those results are not factored in. PIT rallied to beat the Bengals LW with a monster 4th Qtr & if they win out can secure the AFC North for themselves. ATL remains in the hunt for a playoff spot win or lose on MNF & a win here makes next weeks road game at NO that much more important. Without knowing the results of MNF we'll pass on this for now though.

NO PLAY: STEELERS 28 FALCONS 27

| | Ttl Yds | Rush | Pass | Points | TO's | ST's |
|---------------------|---------|------|------|--------|------|------|
| HOUSTON | 334 | 115 | 219 | 26 | +12 | #19 |
| INDIANAPOLIS | 414 | 83 | 331 | 29 | -4 | #2 |

(HOU #15 vs IND #15, IND #4 vs HOU #13) - The Colts are 11-0 SU/ATS vs a DIV foe & Luck added another comeback pelt to the wall over a tough CLE defense. The Texans have beaten 2 of the worst teams in the AFC to round the corner as a playoff dark horse but haven't beaten a quality passing QB all year. This is an important game to IND as they'll lock up the AFC South & remain in position to vulture a bye. PP gives them the yardage edge but thinks HOU keeps it close & we disagree so NO Play.

NO PLAY: COLTS 29 TEXANS 26

| | Ttl Yds | Rush | Pass | Points | TO's | ST's |
|-------------------|---------|------|------|--------|------|------|
| CINCINNATI | 331 | 126 | 205 | 15 | -5 | #6 |
| CLEVELAND | 337 | 122 | 216 | 21 | +8 | #20 |

(CIN #26 vs CLE #18, CLE #16 vs CIN #17) - The aftereffect of CLE's huge win vs CIN is that it made DC's focus on locking down Hoyer. He's has avg'd 246 yds (50%) with a 1-8 ratio since costing them a very winnable game vs IND wasting some stellar defensive play. CIN was throttled in the 4th Qtr LW by PIT & need to win out to hold onto the AFC North. With the strong possibility of a QB switch for CLE's final HG of the year this is a No Play vs a foe out for revenge vs an embarrassing primetime loss.

NO PLAY: BROWNS 21 BENGALS 15

| | Ttl Yds | Rush | Pass | Points | TO's | ST's |
|--------------------|---------|------|------|--------|------|------|
| MIAMI | 307 | 97 | 210 | 13 | +4 | #15 |
| NEW ENGLAND | 381 | 158 | 223 | 29 | +10 | #4 |

(MIA #25 vs NE #14, NE #3 vs MIA #24) - The Patriots loss to GB helped refocus the team & they held SD to 4 FD/105 yds in the 2H on the road for the win. They now face a MIA team that embarrassed them in the season opener with an OL being shuffled & held Gronkowski to 40 yds rec (9 straight over). NE is 21-6 ATS as a single digit HF & PP backs them by 74 yds with plenty of scoring margin to make them the play here.

3★ PATRIOTS 29 DOLPHINS 13

| | Ttl Yds | Rush | Pass | Points | TO's | ST's |
|------------------|---------|------|------|--------|------|------|
| TAMPA BAY | 238 | 47 | 191 | 17 | -8 | #28 |
| CAROLINA | 333 | 148 | 186 | 26 | -1 | #31 |

(TB #23 vs CAR #8, CAR #7 vs TB #7) - The Panthers are off their best game of the year exceeding their season avg prior to NO by 168 yds. They now get a TB team who's yardage for their previous 2 games is a yard short of what CAR earned LW. This is TB's 4th road game in 5 Wks & they may not have LB Lavonte David (concussion) who is their 2nd best defender. TB has only topped 17 pts in 3 games TY while holding foes to under 17 twice. PP calls for a 105 yd edge by CAR but we are wary of CAR's inconsistency & this is a No Play here.

NO PLAY: PANTHERS 26 BUCS 17

| | Ttl Yds | Rush | Pass | Points | TO's | ST's |
|-------------------|---------|------|------|--------|------|------|
| WASHINGTON | 324 | 122 | 202 | 17 | -9 | #24 |
| NY GIANTS | 381 | 90 | 292 | 31 | -4 | #13 |

(WAS #28 vs NYG #4, NYG #12 vs WAS #23) - The Giants have covered 3 straight vs WAS & held foes that own a losing record to a 68.3 QBR (3-7 ratio) with 18 sacks TY. WAS has given up 29 sks in their L5 games but the defense has been throttled giving up a 47% rate on 3rd Dns, with 11 sks & have allowed a 131.1 QBR over the L4W (#32). PP sides with the home team who are rallying behind their QB/HC while the Redskins are 4-9 ATS on the road.

3★ GIANTS 31 REDSKINS 17

| | Ttl Yds | Rush | Pass | Points | TO's | ST's |
|------------------|---------|------|------|--------|------|------|
| GREEN BAY | 354 | 110 | 244 | 27 | +15 | #23 |
| BUFFALO | 345 | 101 | 245 | 24 | +9 | #8 |

(GB #2 vs BUF #3, BUF #20 vs GB #15) - This is a flat spot for GB off NE & MNF with another road game vs TB on deck & are 2-4 ATS away. BUF snared a backdoor cover vs DEN & can secure their 1st non-losing season since 2004 in their final HG for their new owners. BUF has a plus matchup with their pass rush vs a GB OL who's issue have been masked by their QB & the Bills have held 3 straight foes to less than 60.0 QBR. Without a firm line due to MNF though this is a No Play.

NO PLAY: PACKERS 27 BILLS 24

| | Ttl Yds | Rush | Pass | Points | TO's | ST's |
|------------------|---------|------|------|--------|------|------|
| MINNESOTA | 255 | 74 | 181 | 11 | +1 | #11 |
| DETROIT | 398 | 124 | 275 | 23 | +6 | #16 |

(MIN #27 vs DET #11, DET #12 vs MIN #29) - The Lions may not be as explosive as in past years but they are more stable under Caldwell not folding under playoff pressure thus far. DET is 5-1-1 ATS at home & getting a MIN team that hasn't been on the road in a month. MIN's 3 game cover run has been vs an uninterested GB team with NE on deck, CAR off a bye in cold weather & the Jets off MNF but needing OT to win. Look for DET to once again exploit a bad MIN OL & PP agrees with +144 yds & a comfortable margin here.

3★ LIONS 23 VIKINGS 11

| | Ttl Yds | Rush | Pass | Points | TO's | ST's |
|------------------|---------|------|------|--------|------|------|
| NY JETS | 379 | 195 | 184 | 26 | -12 | #22 |
| TENNESSEE | 237 | 42 | 196 | 14 | -8 | #18 |

(NYJ #22 vs TEN #31, TEN #24 vs NYJ #19) - The Titans are forced to go back to Locker due to injury & they have lost 3 straight by 19 pts or more. This is the Jets 3rd road game in 4 Wks & Geno Smith has only had 1 set of B2B games with a QBR of 80 or more. The Jets are 1-4-1 ATS on the road but this is Chris Johnson vs his former team. The Jets strength (#2 rush off) matches up well vs TEN giving up 162 ypg (4.6) the L6 games. PP forecast is more a reflection of how bad TEN is (-142 yds 3rd worst) but the Jets are 3-7 ATS off a loss TY we want to see where the line settles so No Play.

NO PLAY: JETS 26 TITANS 14

| | Ttl Yds | Rush | Pass | Points | TO's | ST's |
|------------------|---------|------|------|--------|------|------|
| DENVER | 413 | 121 | 292 | 28 | +4 | #32 |
| SAN DIEGO | 298 | 54 | 245 | 21 | 0 | #10 |

(DEN #8 vs SD #12, SD #17 vs DEN #6) - Even with the loss to NE the Chargers are still holding onto the #6 seed in the AFC with their head-to-head win over BAL. Their lack of a pass rush (19 sks 30 sks per pass att) & inability to get off the field on 3rd Dns (30th) is a bad mix vs a DEN team that is desperate to hold onto a bye. Manning had his 51 game streak with at TD snapped & is off his lowest QBR in 6 years & PP gives DEN a 115 yd edge (4th largest TW) & we'll follow the forecast.

2★ BRONCOS 28 CHARGERS 21

| | Ttl Yds | Rush | Pass | Points | TO's | ST's |
|----------------------|---------|------|------|--------|------|------|
| SAN FRANCISCO | 158 | 64 | 95 | 3 | +2 | #26 |
| SEATTLE | 363 | 175 | 189 | 27 | +9 | #21 |

(SF #31 vs SEA #1, SEA #10 vs SF #9) - SF disappointed here LW losing to OAK & teams off a SU loss to the Raiders are 3-13-1 ATS. With their playoff hopes on life support they now face a SEA team that is #1 over the L8W outgaining foes by 150 ypg. SEA controls its own destiny & if they win out get the NFC West title getting a bye. PP calls for a more than 2 to 1 yard edge here vs a SF team that has their playoffs hopes damaged after 3 straight NFC Championship games & we'll take SEA to finish them off.

4.5★ SEAHAWKS 27 49ERS 3

| | Ttl Yds | Rush | Pass | Points | TO's | ST's |
|---------------------|---------|------|------|--------|------|------|
| DALLAS | 371 | 133 | 238 | 23 | -1 | #12 |
| PHILADELPHIA | 413 | 147 | 267 | 30 | -6 | #1 |

(DAL #14 vs PHI #27, PHI #9 vs DAL #30) - The Eagles trounced DAL who were on worn legs after having to play on SNF the week prior. PHI is 5-0 SU/ATS off a loss winning by 21 ppg on avg. DAL reasserted itself vs CHI & now have the rest edge knowing that this game will likely decide the NFC East. NFC East DIV fav's are 6-15 ATS in primetime games & while PP sides with the home team we'll make this a No Play for now.

NO PLAY: EAGLES 30 COWBOYS 23

MONDAY, DECEMBER 15TH

| | Ttl Yds | Rush | Pass | Points | TO's | ST's |
|--------------------|---------|------|------|--------|------|------|
| NEW ORLEANS | 425 | 125 | 300 | 29 | -9 | #14 |
| CHICAGO | 414 | 124 | 291 | 32 | -7 | #30 |

(NO #5 vs CHI #26, CHI #19 vs NO #32) - This was supposed to be a showcase of NFC offenses but CHI has struggled with an inconsistent QB who is now minus his favorite target (Marshall) with a bad secondary. NO has dropped 4 straight HG's since beating GB & have their own defensive issues also. PP calls for CHI to pull off a MNF upset but they are 0-6 SU/ATS as a HD & this is a No Play.

NO PLAY: BEARS 32 SAINTS 29
