**4★ Excellent
3★ Very Good
2★ Good** **PRO SELECTIONS** **HOME TEAM IN CAPS**

KEY SELECTIONS

4★ INDIANAPOLIS over Houston - After dropping their first 13 trips to IND in franchise history (4-8-1 ATS) with a 14 pt avg defeat, the Texans head North seeking their 3rd consec win after a pair of outright upsets the past 2 ssn as 1' & 6' pt dogs. They do come in riding a 5-gm losing streak however as PIT delivered a 28 pt victory with both 3rd string & 4th string QB's Yates & Heinicke getting dinged up in the process. The Colts also have a substantial losing streak at the moment after dropping their 6th consecutive matchup LW in BAL despite a late chance in Ravens' territory following a blocked punt (outgained 323-296). In their earlier meeting back in November, the Colts came into HOU as a TD dog and left with the 20-14 victory as the Texans were forced to put bkp QB Savage back into the lineup following an ACL injury to rookie Watson earlier in the week. With the Colts having covered 4 of their past 5 ssn finales, we'll go ahead and call for the home squad to deliver a 10-pt victory.

FORECAST: INDIANAPOLIS by 10

3★ Buffalo over MIAMI - The Dolphins saw their bid for reaching the postssn for a 2nd consec year end LW in Arrowhead as the Chiefs held MIA scoreless in the 2H of the eventual 16-pt win (MIA outgained 404-345). The Bills meanwhile were swept by the Patriots for the 4th time in 6 yrs LW in Foxboro with NE scoring the game's final 21 pts (tied 16-16 mid-3Q). **In their previous meeting just 2 wks ago, the Bills got the 8 pt victory in BUF while cashing our 5★ Game of the Year in the process.** With the Bills remaining in the playoff mix (albeit by a thread) heading into South Beach and the Dolphins posting just a 1-7 ATS mark in ssn finales, we'll go ahead and give the visitor the 7-pt lean in this one.

FORECAST: BUFFALO by 10

OTHER SELECTION

2★ NY GIANTS by 7 over Washington - Following an easy victory over the Broncos a week ago behind a 299 yd, 3 TD effort from QB Cousins, the Redskins head to MetLife Stadium seeking the ssn sweep of the Giants for the 1st time in 6 years. The Giants meanwhile coughed up the ball on 3 occasions in the 23-0 shutout defeat in the desert against the Cardinals. In their Thanksgiving Night matchup in D.C. the Redskins (-7) came away with a 20-10 win (323-170 yd edge). With the Redskins being a DIV AF for just the 3rd occasion the past 12 yrs (lost in DAL by 24 as 1' pt chalk TY) and the Giants 9-4 ATS in ssn finales, we'll call for "Big Blue" to win just their 3rd game of the '17 ssn in what could be QB Manning's final game under center in New York.

FORECAST: NY GIANTS by 7

OTHER PLAYS

BALTIMORE by 14 over Cincinnati - Following a narrow 7-pt win LW at home against the Colts where IND was SOD in the BAL RZ with less than 2 minutes remaining, the Ravens welcome a Bengals squad that earned a 9-pt win over the Lions (27-15 FD & 364-268 yd edges) in what appears to be HC Lewis' final HG with CIN. In their earlier meeting back in Wk 1, the Ravens delivered the 20-0 shutout as a 3 pt dog while sacking Andy Dalton on 5 occasions and forcing him into 5 TO's (4 int's) in the process. With a current 12-2 ATS mark inside of their DIV and looking for continued momentum as they head into next weekend's WC matchup, we'll go ahead and give the Ravens the 14-pt lean as the Bengals have gone just 2-7-1 ATS as an AD.

DETROIT by 3 over Green Bay - The Lions return home to Ford Field after seeing their playoff aspirations end following a loss to the Bengals where their offense was held to just 268 yds. The Packers entered their Wk 16 contest against the Vikings having already been eliminated from playoff contention for the 1st time since 2008. Things didn't go well for GB a week ago as they were shutout at home for the 2nd time this ssn (Top Play 3.5★ Winner on UNDER 41) with QB Hundley back under center. In their MNF matchup in Lambeau back in November the Lions earned the easy victory as 2' pt road chalk (417-311 yd edge) with GB scoring a TD on the final play to "only" lose by 13. With the Lions on the verge of earning their 1st ssn sweep of GB in 26 yrs, we'll go ahead and give them a slight lean here as they look to head into the ofssn in a positive direction.

ATLANTA by 1 over Carolina - Following a come-from-behind win LW at home against the wounded Bucs in a game that they were outgained by a 392-255 yd clip (TB 3 TO's), the Panthers head to ATL searching for their 4th NFC South Title in the last 5 ssns. The Falcons meanwhile saw their playoff hopes take a substantial hit LW in the Superdome in a game that they had a 331-315 yd edge. In their Charlotte matchup back in early November, the Falcons would get a TD w/3:25 left to "only" lose by three as 2' pt road chalk (ATL 355-330 yd edge). While we'll go ahead and give the Falcons the 1-point lean, the Panthers will be the play here as they've gone 7-2 ATS as a DIV AD.

New Orleans by 14 over TAMPA BAY - Following a narrow 3-pt defeat LW in Charlotte where they had a commanding 392-255 yd edge but were done in by 3 TO's, the Bucs return home having failed to cover 5 of their past 7 matchups against DIV foes. The Saints meanwhile remained in a 1st place tie atop the NFC South w/CAR following a 10-pt win over the Falcons. In their meeting in early November, the Saints earned the easy 20-pt victory with a 407-200 yd edge. LY the Saints saw their 4-gm win streak in Tampa end with a 16-11 defeat. With a plethora of starters on the shelf for the Bucs and the Saints on a 13-4 ATS run against NFC South foes, we'll go ahead and give the visitor the 14-pt edge as they head to the postssn.

Jacksonville by 3 over TENNESSEE - Following an 11-pt loss LW against the 49ers where they had a 472-369 yd edge but a 3-1 TO deficit, the Jaguars head to Nashville where they've lost 5 of the past 6 (3-3 ATS). The Titans meanwhile dropped their 3rd consec matchup a week ago against the Rams with a 402-366 yd deficit. Although the Titans did earn the easy 21 pt victory in JAX back in Wk 2, the Jaguars, despite being knocked out of contention for a 1st Rnd bye, could end TEN's playoff hopes here with a win (JAX has won 7 of their L/9 entering play) assuming they let their starters see action.

NEW ENGLAND by 21 over NY Jets - The Jets have had a bunch of spread success against the Patriots over the past 5 yrs with a 7-1-1 ATS mark including a near upset back in October. They do head to Foxboro sporting a 3-gm losing streak however as the Chargers forced them into 3 TO's in the 14-7 defeat. The Patriots appear to be on the verge of another #1 seed in the AFC following LW's 21-pt victory over the Bills where they cashed a 2nd consec 4★ Newsletter Winner! With a 8-1 ATS run coming in for NE and the NYJ offense clearly weaker with QB Petty (just 34-67 for 298 yds and 1-3 ratio L2 wks) under center, we'll go against the recent trends in favor of the visiting Jets and call for the Patriots to get the easy win prior to their bye week.

PITTSBURGH by 13 over Cleveland - The Browns have dropped 13 consec trips to Heinz Field (5-8 ATS) being outscored by a 27-14 margin. They now head to PIT looking to avoid the 2nd 0-16 ssn in NFL history ('08 Lions) after their 15th consec loss LW in CHI (3 more TO's added to an NFL-worst 28). While the Steelers earned a 1st Rnd bye with their easy 28-pt win over HOU a week ago, a win here along with a loss by NE could give them homefield for the entire postssn. In their Wk 1 meeting back in CLE, the Browns got a TD w/3:36 left for the backdoor cover (PIT 290-237 yd edge). While the Steelers have covered 7 of their past 9 ssn finales and CLE is on just a 5-20 ATS run overall, the amount of potential scoreboard watching for the home squad (potential pulling of starters late if NE is winning) has us leaning with the dog.

MINNESOTA by 10 over Chicago - After earning the ssn sweep of the Packers for the 1st time since 2009 (Top Play 3.5★ LP Winner on UNDER 41) and getting their 1st shutout in 24 ssns in the process (2nd shutout win over GB in 113 reg ssn matchups), the Vikings return home with an eye on a 1st Rnd bye in the NFC playoffs. CHI meanwhile ended their 7-gm SU/ATS skid as a favorite LW

SYSTEM	NFL OVER/UNDERS
Play on a DIV AF Following a DIV Away Loss of 7+ Points 8-1 89% THIS WEEKS PLAY: Buffalo Over Miami	Our Over/Under Section is in its 30th season. Each week we list the Top 3 plays as of Sunday Night. 3★ KC/DEN..... UNDER 2★ WAS/NYG..... OVER 1★ CHI/MIN..... UNDER
NFL KEY SELECTIONS 3-175% L2W!!! NOW 22-8-2 73% ON THE YEAR!!!	

against the Browns thanks to a 3-0 TO edge. The Bears have lost their past 5 visits to MIN (1-4 ATS) while being outscored by 13 ppg. In their MNF matchup earlier this ssn in Soldier Field, the Vikings needed a 26-yd FG w/:12 remaining to escape with the 20-17 victory. With the dog on a 7-3-1 ATS run in Bears games, we'll call for the visitor to stay within the line by the slimmest of margins as MIN could take the foot off the gas if they get up big early on.

Dallas by 7 over PHILADELPHIA - Following a crucial home defeat a week ago against the Seahawks (283-136 yd edge but -3 TO's) where they were eliminated from playoff contention, the Cowboys head to PHI where they've surprisingly won and covered 4 of the past 5 (only loss came LY when they were resting starters). The Eagles clinched home-field in the NFC LW against the Raiders despite just 216 yds of offense (forced 5 OAK TO's). In their November meeting back in Dallas, the Eagles (trailing 9-7 at HT) would score the game's final 30 pts in the blowout victory (2nd game of susp for DAL RB Elliott). With the Eagles being the ones to rest their starters this time around, we'll give the Cowboys the lean here as they look to avoid the ssn sweep (PHI last swept DAL back in '11).

LA CHARGERS by 10 over Oakland - Following a rare late ssn trip to PHI where they were forced into 5 TO's in a narrow defeat, the Raiders head South to take on a Chargers squad that forced the Jets into 3 TO's in the 7-pt victory (7-3-1 current ATS run). In their earlier meeting this ssn with OAK QB Carr returning from a back inj that he suffered 2 wks prior, the Chargers would go on to earn the 1 pt win (+3') with a 343-274 yd edge. While OAK is 22-11 ATS as a DIV AD and "Raider Nation" is expected to take over the road venue, we'll go ahead and give the Chargers the 10-pt edge here as they have an excellent shot of earning the final AFC playoff spot with a victory.

SEATTLE by 14 over Arizona - Following an upset victory of the Cowboys a week ago in a game that they had a substantial 283-136 yd deficit in (3-0 TO edge), the Seahawks remain alive in the playoff hunt as they welcome ARZ to the Pacific NW. The Cardinals meanwhile picked up their 3rd home win in the past 4 tries LW against the Giants in easy fashion (23-0 shutout victory). In their meeting earlier this ssn in the desert, the Cardinals got a TD w/:20 remaining (PAT blk'd) for the eventual ATS push (ARZ 290-287 yd edge). While the Cardinals are on an impressive 7-2 ATS mark as a DIV AD, we find it difficult to go against SEA in this one as they're on a 17-9 ATS run as a DIV HF and have a legitimate chance to earn a playoff bid for the 6th consec ssn.

DENVER by 6 over Kansas City - Following an AFC West-clinching victory over the Dolphins where they finished with a 404-345 yd edge, the Chiefs head to DEN looking for the ssn sweep for the 2nd consec year. The Broncos meanwhile dropped their 1st matchup in the L/3 wks against the Redskins with WAS finishing with a 387-330 yd edge. In their MNF matchup back in October, the Chiefs jumped out to a 17-3 HT lead in the eventual 10-pt victory (DEN 364-276 yd edge but 5 TO's). While KC pulled the outright upset in "Mile High" the past 2 ssns, we're leaning Denver here as it appears that KC will be resting starters now that they're locked in as the #4 seed (rookie QB Patrick Mahomes may earn 1st career start, CS).

LA RAMS by 1 over San Francisco - The Rams claimed their 1st NFC West crown in 19 yrs a week ago against the Titans behind another MVP-type day from Todd Gurley (118 rush yds, 158 rec yds, 2 TD's). The 49ers meanwhile won their 4th in a row SU & ATS with Jimmy Garoppolo (242 pass yds, 3 tit TD's) under center LW as a HD against the Jaguars. In their previous meeting back in Wk 3 the Rams ended a 3-gm skid against the 49ers with a 41-39 win (RB Gurley 149 tit yds & 3 TD). With a 1st Rnd bye now out of reach for the Rams along with their 3-14 ATS mark as a DIV HF, we'll call for the 49ers to keep this matchup tight in a series that has seen 4 of the past 6 decided by 3 points or fewer.

2017 WEEK SEVENTEEN NFL LINES AND STATS

	NC	Line	SU	ATS	OU	TO's	Offense	Defense	SACK%	Def				
			Ttl	Sc	Ypp	Ttl	Sc	Ypp	Off	Def

'16 POST SEASON NFL LPS A PERFECT 5-0 100%!!

NOTE: Power Plays - PP

PRO FOOTBALL DECEMBER 31st

Power Plays is based upon statistical numbers and rankings that are used to develop the projections you see here. As with all types statistical information the more numbers that one inputs ordinarily the stronger the accuracy of the results. Therefore, one would expect the projections to be more reliable after a number of weeks worth of stats are input. The numbers in parenthesis are a comparison of the teams rankings (Visitor, visitors offense ranking vs home defense ranking, Home home offensive ranking vs visitor defensive ranking) over each teams last 4 games.

SUNDAY, DECEMBER 31st

	Ttl Yds	Rush	Pass	Points	TO's	ST's
CINCINNATI	288	86	202	14	-8	#29
BALTIMORE	354	141	213	28	+17	#4

(CIN #28 vs BAL #25, BAL #8 vs CIN #24) - The Ravens are in the driver seat of a playoff berth assuming they get the job done in this one. With PP forecasting a 14-pt win and a 354-288 yd edge, we have a good feeling that they'll be able to accomplish that feat.

2★ BALTIMORE 28 CINCINNATI 14

	Ttl Yds	Rush	Pass	Points	TO's	ST's
GREEN BAY	365	130	235	18	0	#28
DETROIT	340	86	254	26	+7	#3

(GB #22 vs DET #26, DET #13 vs GB #16) - The Lions saw their playoff bubble burst LW in CIN while the Packers were shutout in MIN (Top Play 3.5★ LP Winner on UNDER 41). While the forecast calls for DET to get an 8-pt win, we expect them to come out flat in this one.

NO PLAY: DETROIT 26 GREEN BAY 18

	Ttl Yds	Rush	Pass	Points	TO's	ST's
BUFFALO	293	112	182	17	+8	#8
MIAMI	352	119	233	25	-13	#16

(BUF #21 vs MIA #11, MIA #11 vs BUF #22) - The Bills delivered our 5★ Game of the Year Winner 2 wks ago against this very same Dolphins squad. With their playoff hopes still alive, we disagree with the forecast in this one and will call for BUF to get the victory.

NO PLAY: MIAMI 25 BUFFALO 17

	Ttl Yds	Rush	Pass	Points	TO's	ST's
CAROLINA	278	126	152	20	+2	#23
ATLANTA	379	112	267	25	-5	#14

(CAR #18 vs ATL #14, ATL #15 vs CAR #30) - The Falcons are hanging onto their playoff hopes by a thread as they welcome CAR following a loss LW in the Superdome. With the Panthers still alive for not only a DIV Title but also a potential 1st round bye, we'll disagree with the forecast and call for them to stay within the line.

NO PLAY: ATLANTA 25 CAROLINA 20

	Ttl Yds	Rush	Pass	Points	TO's	ST's
NEW ORLEANS	378	116	262	28	+5	#10
TAMPA BAY	355	85	270	17	+1	#22

(NO #10 vs TB #18, TB #6 vs NO #10) - The Saints head to Tampa knowing that a victory will lock up the DIV Title. The Bucs enter play extremely banged up with questions on whether HC Koetter will be back for another year. With PP forecasting an easy 11-pt win for the visitor, we'll agree.

3★ NEW ORLEANS 28 TAMPA BAY 17

	Ttl Yds	Rush	Pass	Points	TO's	ST's
JACKSONVILLE	417	113	304	27	+13	#11
TENNESSEE	314	132	182	21	-7	#18

(JAX #1 vs TEN #23, TEN #20 vs JAX #9) - While the Jaguars did earn the AFC South Title a week ago, they also lost out on a potential 1st round bye in the process with a loss to SF. PP calls for them to get back on track here against a Titans team needing to get back into the win column for a playoff berth. With no line as of presstime, we'll pass on this one.

NO PLAY: JACKSONVILLE 27 TENNESSEE 21

	Ttl Yds	Rush	Pass	Points	TO's	ST's
NY JETS	332	140	192	12	-4	#27
NEW ENGLAND	387	108	279	34	+6	#2

(NYJ #25 vs NE #17, NE #9 vs NYJ #31) - The Jets head to Foxboro on a surprising 7-1-1 ATS run against the Patriots. PP calls for that run to end however and we agree as NE is forecasted for a 22-pt win. With QB Petty hitting just over 50% of his passes in his 2 sts, it could be a long day for the Jets.

4★ NEW ENGLAND 34 NY JETS 12

	Ttl Yds	Rush	Pass	Points	TO's	ST's
HOUSTON	324	127	197	14	-11	#17
INDIANAPOLIS	312	108	204	23	+4	#6

(HOU #29 vs IND #29, IND #31 vs HOU #32) - The Texans head North on a 5-gm losing streak following a blowout home loss to PIT. While the Colts are on a 6-gm losing streak of their own, they have covered 4 of their past 5 home finales. With a 9-pt projected victory for the home squad, we'll go ahead and ride with them here.

3★ INDIANAPOLIS 23 HOUSTON 14

	Ttl Yds	Rush	Pass	Points	TO's	ST's
CLEVELAND	289	125	164	14	-28	#26
PITTSBURGH	397	95	302	32	+2	#15

(CLE #26 vs PIT #15, PIT #3 vs CLE #20) - The Steelers enter play with a chance to claim the #1 seed in the AFC with a NE loss to the Jets. While PP calls for them to get the 18-pt win, the opening line of 16.5 and potential scoreboard watching has us leaning with the dog.

NO PLAY: PITTSBURGH 32 CLEVELAND 14

	Ttl Yds	Rush	Pass	Points	TO's	ST's
WASHINGTON	354	82	272	24	-2	#19
NY GIANTS	349	123	226	19	-5	#25

(WAS #30 vs NYG #28, NYG #12 vs WAS #19) - The Giants return home following a shutout loss to ARZ in what could be Eli Manning's final game under center in NY. The Redskins have been a DIV AF on just 3 occasions the past 12 yrs including an outright loss in DAL a few wks back. We disagree with PP and will call for the Giants to get the outright win in this one.

NO PLAY: WASHINGTON 24 NY GIANTS 19

	Ttl Yds	Rush	Pass	Points	TO's	ST's
CHICAGO	217	92	125	4	0	#31
MINNESOTA	296	99	197	20	+3	#12

(CHI #23 vs MIN #2, MIN #19 vs CHI #5) - The Bears ended their 7-gm skid as a favorite LW in an easy victory over the Browns. The Vikings meanwhile shut out the Packers in Lambeau (3.5★ LP Winner on UNDER 41). While MIN is forecasted for a 16-pt win, keep in mind that the dog is 7-3-1 ATS in recent CHI gms.

NO PLAY: MINNESOTA 20 CHICAGO 4

	Ttl Yds	Rush	Pass	Points	TO's	ST's
DALLAS	302	113	189	18	-2	#21
PHILADELPHIA	324	128	196	26	+12	#5

(DAL #16 vs PHI #8, PHI #7 vs DAL #3) - The Cowboys were eliminated from playoff contention following an upset loss LW to the Seahawks. The Eagles meanwhile locked up the #1 seed in the NFC with a win LW vs OAK. While PP calls for an 8-pt win by the Eagles, they could be using plenty of bkps here with nothing left to play for.

NO PLAY: PHILADELPHIA 26 DALLAS 18

	Ttl Yds	Rush	Pass	Points	TO's	ST's
OAKLAND	284	129	155	14	-12	#19
LA CHARGERS	378	102	276	19	+10	#32

(OAK #23 vs LAC #6, LAC #4 vs OAK #7) - The Chargers remain alive in the AFC playoff picture following a win LW against the Jets. The Raiders meanwhile had another rough outing LW in PHI with 5 TO's. While PP calls for the Chargers to get just a 5-pt win, we disagree as they'll be looking to dominate here with a potential postssn spot on the horizon.

NO PLAY: LA CHARGERS 19 OAKLAND 14

	Ttl Yds	Rush	Pass	Points	TO's	ST's
ARIZONA	264	100	164	15	-3	#24
SEATTLE	235	62	173	20	+7	#30

(ARZ #27 vs SEA #27, SEA #32 vs ARZ #1) - The Seahawks somehow found a way to get a win LW in DAL despite a 283-136 yd deficit (3-0 TO edge). The Cardinals meanwhile earned a 23-0 home win over the Giants. While PP calls for SEA to get a 5-pt win, we'll lean a little heavier in their direction as they're on a 17-9 ATS run as a DIV HF.

NO PLAY: SEATTLE 20 ARIZONA 15

	Ttl Yds	Rush	Pass	Points	TO's	ST's
KANSAS CITY	338	112	226	21	+14	#7
DENVER	317	117	200	13	-16	#20

(KC #2 vs DEN #4, DEN #17 vs KC #21) - The Chiefs head to DEN with nothing to play for after locking up the #4 spot in the AFC. The Broncos meanwhile could be putting QB Lynch back under center to get one last look at the former 1st rounder. With KC likely resting a good portion of their starters in this one, we disagree with the forecast and will lean with the home team.

NO PLAY: KANSAS CITY 21 DENVER 13

	Ttl Yds	Rush	Pass	Points	TO's	ST's
SAN FRANCISCO	339	95	244	19	-2	#13
LA RAMS	393	134	259	35	+7	#1

(SF #5 vs LAR #13, LAR #14 vs SF #12) - The Rams claimed their 1st NFC West crown in 19 years a week ago against the Titans behind another huge day from Todd Gurley (118 rush yds, 158 rec yds, 2 TD's). While PP calls for their magical run to continue here, they may be giving a handful of starters the day off as they prepare for the WC round. With SF on a 4-0 SU/ATS run since Jimmy Garoppolo has taken over under center, we'll be leaning with the away dog.

NO PLAY: LA RAMS 35 SAN FRANCISCO 19

We have combined the Power Sweep and Power Plays for this Special NFL ONLY.
